Dog Witch Magick Circle – Terms & Conditions (Paid Memberships)

Welcome to the Dog Witch Magick Circle – a sacred space for dog lovers, healers, and magic makers.

By subscribing to one of our paid membership tiers (The Magick Circle or The Inner Circle), you're agreeing to the following terms. Please read them carefully.

They're here to protect your experience and ours – with no confusing fine print and no fluff.

1. Membership Overview

The Dog Witch Magick Circle offers two tiers of paid membership:

- **The Magick Circle** – For those dipping their paws into magick and connection.
- **The Inner Circle** – For those ready to go deeper and howl with the moon.

Your subscription gives you access to exclusive content, live sessions, rituals, downloads, and the soul-nourishing community you signed up for.

2. Subscription & Payment

When you sign up, you're committing to a recurring subscription (monthly or annual, depending on what you choose). Payments are taken automatically via the payment method you provide. It's your responsibility to make sure your payment details are up to date – we're witches, not wizards of finance.

3. Cancellation Policy

You can cancel your membership any time. We won't lock you in or make you jump through hoops – we believe in freedom and informed choice. However:

4. Refunds & Cooling-Off Period

We offer a **14-day cooling-off period** from the day you first sign up. If within those two weeks you decide this isn't your vibe, just let us know and we'll refund your first payment – no questions asked (though we may cry into a cup of herbal tea).

After those 14 days? **No refunds** will be issued for any reason – not even if Mercury is in retrograde or your dog eats your laptop. You're paying for access to premium digital content, and once it's been opened, it's considered used.

Please note: This applies to **initial sign-ups only**. Renewals and recurring payments after the first 14 days are non-refundable, even if you cancel mid-cycle. Your access will remain active until the end of your current billing period.

5. Member Conduct

This is a sacred space built on respect, curiosity, and a deep love for dogs. We reserve the right to remove anyone whose behaviour is harmful, disrespectful, or just plain unkind. No refunds will be issued in this case. Don't be that person.

6. Intellectual Property

All content, courses, rituals, meditations, videos, PDFs, and other juicy stuff we create for the Circle remain the property of The Dog Witch. You're welcome to use them for your personal practice – but please don't copy, share, or distribute them outside the Circle. Let's keep the magic sacred.

7. Changes to These Terms

We may tweak these terms occasionally to keep things running smoothly. If anything, big changes, we'll let you know ahead of time, so you're never caught off guard.

By joining the Dog Witch Magick Circle, you're agreeing to these terms and embracing the magick of the journey ahead.

Any questions? Drop us a message via the contact page. We're real people and happy to help (especially if you bring biscuits – dog or human kind).
